

Happy New Year 2015

Dear Parents,

Once again welcome to all our new parents and their children and we do hope you enjoy Nursery life at St Andrew's Day Nursery and all of the wonderful opportunities and experiences we offer to the children in our care.

Our Xmas Concert

I am so proud to say I am a part of St Andrew's Nursery especially after watching your children perform so well at our Christmas Production 2014. Well done to all of the children and thank-you to parents for providing such fantastic support and dressing up your children in such lovely costumes. I will try very hard to get the photographs developed.

Some of the Pre School singing their favourite 'Frozen' Song to Santa!..above.

Dare To Dream

The children are really enjoying the Dare 2 Dream experience.

Please look at the board in the Cloak-room next week to see your child having a great time exploring how the body moves and works,

Kasenia and Camera

Kasenia will be taking family or individual portrait photographs again this year during March and October.

We have decided to have the portraits taken on a Saturday/ weekend as it proved to be very successful. I will be sending an email with Kasenia's details, this will allow parents to make individual arrangements with Kasenia or book a slot once I confirm the dates.

Topics and Displays.

Each room works really hard with your child as I know you are all aware, I do hope parent's find the time to look at some of the displays in the room that all of your children have taken part in.

Baby Room

Are learning about Chinese New Year
The year of the Sheep

Toddler Room

Are learning about Transport as you
can see they have painted their own
traffic lights.

St Andrew's Day Nursery

Pre School

Have talked about Memories and understanding what a memory is! The children have then designed bottles for their special memories.

Learning at Home

Please remember to continue the learning with your child at home. Discuss the topics with your child... you may be really surprised what they have learned at Nursery.

It's our Parent's Evening

This is an Opportunity to come along and chat to your Child's Key-Worker.

We think it is important that all parent's have the chance to meet with their child's key worker to discuss any concerns and see how their child is progressing and take a peek at your child's Learning Journal

We would like all of parent's to come along on Monday 16th February
6pm-8pm .

Staff are happy to make individual appointments if you are unable to attend.

To all the children who have a birthday in January/ February

Happy Birthday to:
