

St Andrew's Day Nursery

Newsletter May/ June 2016

Dear Parent's,
I hope everyone is well,
Just a gentle reminder !

Dont forget to bring in Sun Hats, Sun Cream, Coats, Scarves , Gloves ...who knows what the weather will bring next !!!!

Joking apart....Please remember to bring along a named Sun Hat and Sun Cream for your child to wear during the next few months. The children do spend a lot of time outdoors and it does get surprisingly hot in our garden.

Our Easter Celebrations

Once again this was a great success. A huge thank-you to everyone for becoming involved in this annual event, the children had a wonderful time along with the parent's. Father Andrew once again provided the children with some knowledge around Easter, they had a lovely time at church, even Andy Bear had his Easter mask on.

What have we been celebrating this term?

We have been very busy this term celebrating our Queen's 90th Birthday. The children were very busy decorating the nursery with bunting and paper chains, the Toddler Room looked very patriotic, and apparently Buckingham Palace is in Bulkington! The children all made birthday cards along with some lovely pictures, and apparently the children guessed the Queen is 3 years old.

To all the children who have a birthday in May and June

May Birthdays

George - aged 3- Alfie -aged 2
Jack - aged 2

June Birthdays

Reuben- aged 2 Jessica- aged 2

Diary Dates

**Half Term -Monday 30th May- Friday 3th June
(Term Time Children not in this week)**

19th June – Fathers Day

St Andrew's Day Nursery

Newsletter May / June 2016

Growing Area

Again we are really excited about our growing area. The children are very involved once again in planting seeds and getting excited about what will happen to them.

Parent's Evening

Thank-you to parent's for making this a really lovely evening, it was so nice to see so many parents come along and show a real interest in what their children are doing at nursery and how they are developing. It was also lovely to hear some lovely feedback from parent's about their children ...all really positive. We do enjoy chatting to you all and please do feel able to complete a questionnaire to ensure we are always providing you with an excellent service. We will always make sure we are improving the quality of St Andrew's and we can only do that if we have parent feedback.

Pre School

If your child is going to school this year then we are starting to contact feeder schools, we have already had a couple of visits off local schools. Please see Nicole if you have any questions relating to this and we will be able to help you with any questions. We will provide parents with a list of ideas that will help prepare your child for school over the next few months.

Learning at Home

It is really important that children are continuing their learning at home. We are listing the topics your children are exploring at Nursery and some ideas to help parents extend and support this learning at home over the coming weeks. Please let your child's key-worker know if you observe any achievements at home as we would really like celebrate this and also put this into your child's learning journal.

Baby Room

Baby's have a fabulous Sensory Den, this will encourage and introduce the children to different textures and materials. The Baby Room are also starting to look at 'Going to the Beach' for their summer activities.

Toddlers

Toddler Room have their very own pet caterpillars and they are reading the hungry caterpillar story, this is a brilliant way of introducing the children to the life cycle.

Pre- School

The children are really excited about starting school and they are getting ready to do their topic around getting ready for school.
